Classification:	Unrestricted.
------------------------	---------------

Descriptive note: None

Display conditions: None

Date of entry in Register: 18 May 2010

Date of direction to issue a label: No direction to issue a label has been issued

Summary of reasons for decision:

The computer image file printout is unrestricted.

The image on the printout is a natural "snaphot" showing a naked boy who appears to be an older child or young teenager. He stands with his body bent and his arms reaching down in front of him, concealing the area of his genitals. His hair and body are wet and the setting resembles a shower or dressing room. There are no sexual elements in the image and it raises no issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The publication must, therefore, be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
